27 Foot Southern Cross Expedition SC8000 Fifth Wheeler and Ford F250 XLT

Australian built Southern Cross 2006 model SC8000 fifth wheeler and 2006 Ford F250 7.3 L turbo diesel dual cab XLT automatic tow vehicle. Set up for freedom camping. Robust construction, very strong chassis, fibreglass sandwich body. Timber look cupboards. We have owned this rig since new and spent over 8 years living in it while travelling Australia. Now we have built a base camp, it is time to down size. Can sell fifth wheeler separately for anyone who already has a suitable tow vehicle.
